Dear Sir:

Unless one knows the subject thoroughly, any premium list of United States coins is of little value, as condition and other considerations enter largely into the value. Comparatively few coins have any premium, but if you desire such a list, there is one issued by the Scott Stamp and Coin Company, 1 West 47th Street, New York, price fifty cents. I would suggest that you bring your coins here, or to some dealer, if you wish to have them evaluated.

Very truly yours,

Curator.
